

YHA - LANDSCAPE COMMITTEE ANNUAL REPORT
January 29, 2012

2011 Committee:

Cherri Spellmeyer, Chm
Linda Allen
Liz Hedgepeth

2011 Accomplishments:

- Obtained bids for common area landscape maintenance - entered into an agreement with 5-Brothers Lawn Care for routine lawn cutting, trimming, and Round-Up control of weeds along sidewalks
- Obtained bids for chemical treatment and planting of turf grass in the common area, but concluded that, in the absence of a sprinkler system, the grass would not germinate or thrive
- Studied the potential cost and steps required to install a secondary sprinkler system to complete coverage of the common area. (Bids at that time were in the neighborhood of \$8000.00.)
- Planted annuals at front entrance in Spring and Fall
- Applied mulch at front entrance around trees, bushes and borders along length of common area
- Removed Bayberry bushes and planted 3 Holly trees.
- New timer installed on front entrance lights

Special thanks to :

Neighbors who helped with Spring and Fall cleanup and planting of trees.
Neighbors who voluntarily donated to the 'Landscape Improvement Fund'
Neighbors who, on their own initiative, removed leaves and dead branches
Ed and Janice Brandt for making and installing new Christmas Decorations and single handedly manicuring the front entrance common area prior to Christmas

2012 Landscape Committee Volunteers:

Mary Ann Dallas, Jean Fox, Liz Hedgepeth, Cherri Spellmeyer
